

BioValence
S K I N C A R E

INNOVATIVE SOLUTIONS FOR
SKIN CARE

OUR PROFILE

Biovalance, a company that focuses on highest quality products and formulations maintaining all international standard in quality, packaging, application and maintenance. Every product developed at Biovalance are precisely formulated from scientifically proven ingredients/natural ingredients. We at Biovalance believe that dermatology has evolved beyond basic skin treatment. We offer complete skin care from "curative to aesthetic", therefore our focus will be on dermatology and cosmeticology.

OUR VISION

To become a leading specialty pharmaceutical company with a strong focus on improving lives of dermatology patients.

OUR MISSION

To provide a full range of aesthetic/cosmetic dermatological products to help patients look and feel their best.

PRODUCTS

| COMPOSITION
